

PRESCRIBED FIRE CREW RECRUITMENT

We need more prescribed fire volunteers for Middle Rock Conservation Partners and the Nachusa Grasslands Fire Crew.

For fire work, we need physically fit volunteers who are willing to do modest coursework and like working with others.

Sound interesting? Come to our recruitment meeting.

When: Saturday, October 12, from 10am to noon

Where: Nachusa Grasslands Headquarters, 8772 S. Lowden Road, Franklin Grove

We will briefly discuss:

- Why we use prescribed fire
- What our training regimen entails
- What the time commitment is

We will also look at fire equipment, fire breaks, and habitats that have received frequent fire.

Wear long pants and sturdy shoes, as we may be walking through tall vegetation.

RSVP to bkleiman@tnc.org
